Mustapha Deen

7525 Mcwhorter Place, Annandale VA
Phone: (571)-226-7974 | **Email:** mdeen3@outlook.com

Talented, enthusiastic and technically strong individual with over 2 years of front-end web development and technical experience. I have real passion for coding technology and software and possess proven ability of balancing multiple work streams within a fast paced, demanding environment. With excellent HTML, CSS (SASS), JavaScript and Vue.js development skills, currently I'm seeking to continue my career with a vibrant company that will allow me to be part of a highly collaborative team, develop my technical skills and work on projects for challenging client requirements.
